**A much-appreciated employee benefit,  
this program costs nothing to the employer.**

## THE PROGRAM

\*Waxing and nail services excluded. May not be combined with any other discount offer. Certain black out dates apply.

## Program Details

Upon agreement to join our corporate discount program, businesses are sent a suggested electronic announcement and a PDF certificate to distribute to employees. That certificate is valid for six month from inception date. At the end of six months, the company may sign up for another six month term.

The certificate can be **conveniently printed by any employee whenever they like**. It grants them 15% off any Spa Service\* received Monday though Friday. Please note that we are open until 7p.m. Tuesday and Thursdays and will book after hours appointments on special request.

The employee writes their name on the coupon to validate it. **They can then use it themselves, or give that certificate to any person they choose.** (This way, spouses, family and friends can benefit as well.)

A Thousand Cranes Spa will also supply, free of charge, two color posters announcing this program and, for a minimal production fee, will furnish printed certificates to be handed out, or displayed.
